Sometimes, playing sexy games with your girl (or a few girls) is just what you need to make the night one you'll never forget. The games here will set a fun, flirty tone you will both enjoy for a very long time.

**1) I've Never...** This game starts off with one of you confessing something truthful that starts with the line, "I've never..." For example, you could say "I've never... had sex in a car."

If someone in the group has actually done the act, they need to have a drink. If no one in the whole group has done it, the person who said the line has to have a drink instead.

To make it sexier, each time someone has a drink, they have to explain the deed in detail.

**2) Dares In A Hat:** Everyone in the group writes a to-do act on a piece of paper and drops it into a hat, without telling anyone else what the act is.

The acts can be individual acts or something that has to be done with a partner or someone else in the group.

The best part about this game is that the raciness of the acts can be increased or decreased depending on ground rules that are set at the beginning.

Each of you takes turns to pick a piece of paper and perform the act. If the person who picks the paper doesn't want to perform the act, they need to down a drink.

But at the same time, no person who picks a paper can take a drink twice in a row.

As each paper is used, throw the paper away until there are no papers left in the hat. Replace the papers with new dares and acts that are bolder than the ones used the first time around.

### **3) Dirty Truth or Dare:**

Everyone knows the rules of this game, so there's no need to go over them.

Here are a number of our favorite Truths & Dares that you can use to turn up the heat tonight:

#### **20 Dirty Dares:**

#1 Lick your partner's ears.

#2 Spank, squeeze and pinch your partner's butt.

#3 Place an eye cube on the girl's navel until it melts. The girl can't use her hands to keep it in place. The guy can only use his lips to keep the cube in place \*it's a lot harder to keep the ice cube in place when it starts to melt or the girl starts to feel cold\*.

#4 Pass a candy to your partner using just the lips / unwrap a candy together using only the lips.

#5 Kiss each other for a whole minute.

#6 Give your partner a lap dance.

#7 One partner lies down. The other partner moves their hand or a feather all over the laying partner's body including all strategic regions.

#8 Unhook the female partners' bra and take it off her body using just one hand.

#9 Lift your female partners' shirt up from the back all the way to the collar using just your teeth.

#10 Stroke your partner's tee shirt/pants until we see the pants move or the tee shirt stiffen.

#11 Lick honey/whipped cream off your female partners' boobs.

#12 Give the man a boner without touching his member.

#13 Give your partner a massage from the feet and legs all the way up to the inner thigh.

#14 Blindfold one partner. The blindfolded partner should kiss three specific body parts chosen by the other couples by guessing the exact location without using hands.

#15 Hug each other topless with body oil on your chests.

#16 Kiss your partner down there \*over clothes if you want to\*.

#17 Make out with each other with the clothes on / dry hump each other.

#18 Find your girlfriend's nipple with your teeth / lick your girlfriend's nipple \*with her clothes on if you prefer\*.

#19 Slip your hand into your partner's pants and try to make them squirm for an entire minute.

#20 Get under a blanket and have sex for a minute and then stop immediately. \*you'll have a hard time stopping\*.

**10 Dirty Truths:**

Use these dirty truth questions to shed each other's inhibitions. And don't forget to blend the truth and the dares well, so you get a good balance of sexy kiss and tell.

#1 When and how did you lose your virginity?

#2 Describe the situation when both of you felt so horny that you had to get frisky in public.

#3 What's the best body part you like about your partner?

#4 What should your partner wear to turn you on before/during sex?

#5 How does your lovers body compare to your past partners?

#6 What are both of your hottest/dirties sexual fantasies?

#7 Describe your lovers body in detail.

#8 Who's the last person you undressed in your thoughts?

#9 What's the boldest thing you've done sexually? / What is the weirdest sexual act you've indulged in or want to indulge in?

#10 Have you ever flashed at someone or has someone other than your partner seen you naked?

**4) Suck And Blow:** Everyone stands around in a circle, alternating between a guy and a girl.

One person places a regular playing card flat on their lips and inhales air through the mouth to hold on to the card without using any hands.

The objective is to pass the card on to the adjacent person's lips without dropping the card at any point of time.

To successfully pass the card, one person has to suck the card by inhaling air while the other person has to blow on the card while passing it on.

If the card drops while transferring the card, both the people involved have to have a drink each. The same game can also be played with apples if cards seem too difficult.

**5) Flip, Sip Or Strip:** Everyone takes a turn to flip a coin. Call heads or tails after you toss the coin, and if you get it right, you do nothing.

Get it wrong once, you have to down a shot glass. Get it wrong twice in a row, and you have to take off an article of clothing.

Get it right three times in a row when it comes to your turn, and you can retrieve a piece of clothing you had to take off previously.

**6) Spin The Bottle:** This is a classic game everyone plays with friends or with other couples. But a few drinks can make this game a lot sexier and funnier.

Everyone sits in a circle, alternating between guys and girls. Each person takes turns to spin the bottle, and when the bottle stops spinning, they have to kiss the person the bottle is pointing.

If it's someone you can't kiss, you can kiss the person to the right of them.

Additionally, both the people involved have to drink a shot with each spin. Instead of kissing, you can also change the rules to dares or a few naughtier acts too.

**7) Strip Poker:** Play the regular game of poker with cards, but instead of dealing with coins or money, use your clothes as currency for the game.

If someone doesn't want to strip a piece of clothing, their partner can take off their own piece of clothing as compensation on their behalf.

If you're not sure about the rules of poker, play any card game you know and use the same rules. But each time someone takes a piece of clothing off, everyone else has to have a drink.

**8) Blindfolded Body Touch:** This is a drinking game that can be a lot of fun and feel sexy too.

A guy is blindfolded first. The girls stand in a line in front of him. A body part is chosen randomly by other guys, and the guy has to feel the particular body part and recognize his own partner or a particular girl just by feeling the body part of the girls.

Once the guys are done, the girls repeat the same game. Each time a person guesses wrong, they have to down a glass.

**9) Bases Loaded:** You know how people refer to hooking up as getting to a certain baseball base (first base equals kissing, second base is feeling someone up, third is oral)? Bring that idea to life when you're watching a game at home together.

Each of you should pick a different team to root for. Whenever a player on your team rounds a base, your lover has to give you a sexy treat corresponding to the base the player is on—and vice-versa when their team is on base.

If one of your teams hits a home run, you get to call the sex position you want. Everybody wins!

**10) Don't Get Caught:** Test your stealth sex abilities by seeing how far you can go getting busy outside of the bedroom without getting caught. Start with the first, easiest challenge. They get increasingly trickier as you go along:

1. Put your hand up her skirt under the table at a restaurant, then have her reach in to your pants and pleasure you.
2. Have sex in your car when you're parked on a side street.
3. Pull her into the guest room at a party.
4. Get it on in the bathroom of a bar, club, or restaurant.
5. Do her outside, whether in a park, on the beach, or in the woods.
